Dear _____,

Rainbow Resource Centre supports the 2SLGBTQ+ (Two Spirit, lesbian, gay bisexual, trans, queer) community in Manitoba through counselling, education and social and support programming.

In partnership with Bell Let's Talk, Rainbow Resource Centre is pleased to partner with Manitoba Video Counselling (formally Affirm Counselling), based in Winkler to offer **FREE short-term counselling for 2SLGBTQ+ individuals and their partners, parents and families living in Southeastern (SE) Manitoba.**

In-person and remote options are available, and folks can access same week appointments by emailing Greg Costen at manitobavc@gmail.com or calling/texting (204) 720-1241.

In addition, our education team provides workshops, consultations and support for workplaces, schools and service providers. Please call us at 204-474-0212 or visit www.rainbowresourcecentre.org for more information.

Sincerely,
